

REJECTED LOVER SLAIN BY WOMAN

Ernest Rogers Is Dead at
Bigheart; Shoots in
Self Defense.

PAWHUSKA, Dec. 11.—Ernest Rogers, oil caver, is dead, and Mrs. L. Kinkaid is in the county jail charged with his murder. The shooting occurred late last night at Bigheart, 25 miles from here in the Travelers hotel.

man had come into the case and Rogers had made the threats to "get her." The woman, fearing trouble, moved to the Travelers hotel and was followed there by Rogers, who searched through several of the hotel rooms.

He was disarmed twice during the day, but persisted in endeavoring to meet Mrs. Kinkaid. Finally, alone in the evening he discovered her room, forced his way in, and was met with a fusillade of bullets from a gun in the hands of the woman. He died about 1 o'clock this morning. Before dying, Rogers made a statement to the sheriff in which he asked that the woman be not prosecuted, "for if she hadn't gotten me, I would have got her."

When Buying A Charter Oak.
Why? Because she knows what she is buying. Her mother and her mother's mother used the CHARTER OAK.

Where substitution "doesn't go"

there is no necessity or room for argument with anyone who comes into a store and makes the statement that a Charter Oak Stove or Range is wanted. It is, in such a case, only a question of size, style and price. Something claimed to be "just as good" cannot be sold to a person who has once used a Charter Oak.
